

MESSAGE

Greetings to the Aspiring Minds of S. S & N. College.

It is with a deep sense of pride and a profound responsibility that I welcome you to S. S & N. College.

Education is not just about earning a degree; it is about building character, fostering innovation, and preparing oneself to serve society. My family has been intertwined with the legacy of this institution for decades—my father, Sri Nagasarapu Rama Rao garu, dedicated 51 years of his life to this college. Following in his footsteps, my mission is to ensure that our students receive an education that is both modern in its approach and rooted in strong ethical values.

Beyond the classroom, my experiences in public service—specifically serving as the Municipal Chairperson of Narasaraopet (2014-2019)—have taught me that ***true success lies in the impact we leave on our community***. Whether it was achieving the 2nd rank in Andhra Pradesh for the Swachha Bharat initiative or providing clean drinking water to our colonies, the goal has always been the same: Excellence through Service.

At S. S & N. College, we strive to provide a platform where your professional dreams—whether in commerce, technology, or the arts—can take flight. Our doors are always open to those who seek knowledge with sincerity. Together, let us continue to build a legacy of excellence that honors our past while embracing the future. We are committed to maintaining an environment that is "*Clean, Green and Great*," mirroring the values we hold dear for our city.

To my dear students: Dream big, work with integrity, and remember that you are the architects of tomorrow. We are here to support you every step of the way.

With best wishes,

Sri Nagasarapu Subbaraya Gupta
